Unleash Energy Dominance

Under President Donald J. Trump's leadership, the United States became the number one producer of oil and natural gas on earth, achieving American energy independence and delivering historically low costs for oil, gas, diesel, and electricity to consumers and businesses. President Trump unlocked our country's God-given abundance of oil, natural gas, and clean coal. He approved the Keystone XL and Dakota Access, pipelines, opening federal lands and offshore areas for responsible oil and gas production, and ending the unfair and costly Paris Climate Accord. Joe Biden reversed the Trump Energy Revolution and is now enriching foreign adversaries abroad. President Trump will unleash the production of domestic energy resources, reduce the soaring price of gasoline, diesel and natural gas, promote energy security for our friends around the world, eliminate the socialist Green New Deal and ensure the United States is never again at the mercy of a foreign supplier of energy.

2030年度目標及び2050年カーボンニュートラルに対する進捗

- 2020年度からの増加については、コロナ禍からの経済回復により、エネルギー消費量が増加したこと等が要因と考えられる。
- しかし、2019年度からは3.4%減少しており、2030年度目標の達成及び2050年カーボンニュートラル実現に向けた取組については一定の進捗が見られる。

Climate Alarmists Shame COP28 into Overtime Deal to Abandon Fossil Fuels

????????????????????DeepL???????

The COP28 climate conference in Dubai seemed to be heading for an anticlimax on Tuesday, as the last scheduled day of negotiations passed without reaching the top goal of the climate movement: a worldwide agreement to phase out fossil fuels.

The conferees went into “overtime,” however, and were able to hammer out a “historic” deal to “**transition away**” from fossil fuels in a “just, orderly, and equitable manner” to “achieve net zero by 2050.”

There was still some grumbling about a much weaker agreement than the climate faithful wanted. The coming months will surely be filled with debate about what “**transition away**” means, compared to the originally desired language of “phase out,” and just how many exceptions will be granted under the rubric of “just, orderly, and equitable.”???????
